Wenatchee has approximately 300 days a year of beautiful sunshine, and that kind of weather provides an opportunity for many different kinds of activities, some of which are shown below. Some of our favorites are camping, rafting, boating, skiing, hiking, jet skiing, biking, rock climbing & golfing. If that's not enough, we LOVE our festivals!

The Columbia River offers many small inlets abundant with water fowl for serene kayaking, or you may want to walk our beautiful and fully lighted Apple Loop Trail that winds its way along the river and through Wenatchee's many parks. Maybe a quiet spot along the river for a picnic is more to your liking.

Are you someone who loves winter sports like skiing, snowboarding, cross country or snowmobiling? We've got just the ticket!

If you lean more toward boating, water-skiing, tubing, rafting and fishing, guess what?....We've got just the ticket!

With so many activities to choose from, deciding may be your only difficulty. From cross country skiing through beautifully groomed trails, a thrilling white water raft trip down the Wenatchee River, watching the glorious fireworks over the river on a warm summer night, or taking in a live performance at Wenatchee's Performing Arts Center, it's all good and it's all yours for the taking. Fun in Wenatchee is spelled F. U. N!
