Our Love Story

The Mile High City, founded at the confluence of two rivers in the 1800s, Denver has always been a draw for travelers with a spirit for adventure. The mountain peaks lure hikers to the top, skiers to the inclines, and rafters to the whitewater. Before heading west, most travelers pass through Denver's historic Union Station, which anchors one end of Denver business district and the Grand Hyatt the other.

Stroll along the 16th street pedestrian mall while enjoying the sunshine that Denver delivers 300 days each year. Arriving at the Grand Hyatt you will be welcomed by our hosts who will be quick to share their personal favorite must-sees. Enjoy a concert under a starfilled sky at Red Rocks Ampitheater. LoDo is sure to impress for sports, brewpubs, dancing and the vibe that a young city wears naturally. Parks, bike paths, museums, and architecture in every size and design will make their way into your itinerary.

But we've saved one final secret just for

you on our 38th floor. At more than a mile high, the Pinnacle Club offers a 360° view of the Rocky Mountains, and when the sun goes down and the music starts playing, a view of the sparkling lights of the city below. Celebrate the day that you have dreamed of with those that mean the most to you in a place that matches your spirit.

What Couples Love About Us

"I cannot express how immensely pleased we are with the Grand Hyatt Denver! We had our wedding at the Pinnacle Club and every single piece of the event was so wonderful. They offer a full package with a very friendly and capable staff willing to do whatever it takes to make your special day memorable. The food, drinks, cake, ceremony, reception, service, rooms, EVERYTHING was beyond top notch! It's the perfect venue for a wedding and all of our guests were so impressed and happy! We recommend them with total confidence!"

- Kelsey W, Married in 2016

"The Grand Hyatt was Wonderful! Their catering and event corridnation staff made our special day everything that we had dreamed of. The food was excellent, the rooms were comfortable and who can beat the 38th floor view of Denver and the Colorado Mountains! Our day was PERFECT and I could not have done it with out the Grand Hyatt!" - Merrit M, Married in 2016

"We could not have had a better experience! We live on the East Coast and leading up to the ceremony the Hyatt's wedding coordination staff was attentive, proactive, and detail oriented. When we arrived at the hotel the staff was courteous and vigilant, and throughout the weekend people checked up on us, acted swiftly when we had a request, and went out of their way to make sure we were comfortable and having a good time. The bridal suite was amazing and the groom "ready room" had an awesome view, was stylish, comfortable, and clean. The day of the wedding (and throughout the entire process) our wedding coordinator, Celia, was on top of everything and the ceremony, cocktail hour, and reception went off without a hitch. For couples looking to get married in downtown Denver we highly recommend the Pinnacle Club and can't speak highly enough about Celia. The venue was beautiful, the food was tasty, and service was impeccable. We would highly recommend the Grand Hyatt for anyone who is visiting Denver

and would definitely recommend for their event." - Nassim M, Married in 2017

"Can't say enough about the incredible team at the Grand Hyatt. From the moment we walked in the door they had us covered and there wasn't a single detail that they missed. We had our ceremony and reception in the Pinnacle Club. It was perfect and the team at the Hyatt was one of the main reasons everything went as smoothly as it did." - Christa C, Married in 2017

"Amazing! Everything was perfect!! The customer service, food, asthetics, mountain view.. All perfect!! Most of our guests were from out of town so having a "mountain" wedding wasn't something that would have been easy to pull off considering eveyone would have to somehow get themselves out there. The Pinnacle Club was perfect because it was easy to get to from the airport, plenty of things to do in the city, and the view of the entire Rocky Mountain terrain! Guests LOVED that part most.. Especially at sunset. Stunning!!

- Jenny K, Married in 2016
