What Couples Love About Us

"Wow, this hotel was the most incredible place to get married. We couldn't be happier with our decision to have it at the Hyatt.

The ceremony on the dock, the marquesa ballroom and even our hotel room blew us all away. The hotel room had a drybar blowdryer and fancy bluetooth speakers, the rain shower was gorgeous even the shampoo and conditioner was fancy lol!

The view from our room was superb. My friends and family will be talking about this wedding for many many years to come and we cant wait to come back for anniversaries.

Thank you to the whole Hyatt staff for going above and beyond to make our day an absolute dream!"

-Alexis, Married November, 2019

"Our wedding took place 12/7/19 and I have nothing but great things to say about the Hyatt Centric in Key West.

First, the venue views from the Marquesa room were spectacular and our cocktail hour was outside on the deck. It was beautiful. I worked with Ashley who took over my wedding 6 months before wedding due to staffing changes. She was phenomenal and was able to answer any questions I had in regards to planning, etc. The food was also very delicious and we were very pleased.

This venue does require you hire a day-of wedding coordinator. This was a little annoying at first but since my ceremony was off site it was the best decision as it allowed my entire day to run smoothly. If you are considering them as a venue spot I highly recommend them our wedding was nothing short of a dream."

- Susana, Married December, 2019

Kristie & the Hyatt team helped make our wedding day perfect!

The weather turned out perfectly but even when we had a bit of a quick Key West thunderstorm scare, Kristie was there to help reassure and calm everyone :) She went above and beyond to help us and answer all of our questions.

The venue is absolutely stunning and offers the perfect Key West vibe, right on the water with a beautiful dock space for the ceremony, balcony for cocktail hour, and inside venue (with huge windows) for the reception.

The food was wonderful as well -- one of our avid steak eaters who can never be pleased even mentioned how delicious the filet was. All of our guests loved the trip down to Key West to celebrate at the Hyatt!

I would recommend this venue to everyone!

-Lindsey, Married December, 2019
