What Couples Love About Us

Hands down the best place to get married in Cleveland. Every part of the process was easy. I worked with Ann and she was absolutely wonderful. She answered every one of my million questions thoroughly. From planning to rehearsal to the day of, Ann was there to help in any way she could. The staff at the Arcade as a whole was so wonderful. From coordinators to wait staff, I was so impressed. Some staff even hit the dance floor with us and we LOVED it! We chose to have our wedding on a Friday to save on cost. Ella, married in 2019

Our wedding was PERFECT! Jamie and Allison at the Hyatt Arcade make sure that you have everything you need and are there the day of to make sure that everything goes perfectly! Everyone is still telling us what a great wedding and reception we had and how much fun they had. Thank you so much for making our special day so perfect! Kelsey, married in 2018

We got married in November and I could not be happier with how everything turned out. Our wedding coordinator, Ann Pavic, was incredible. Her response times were all within the day and if she was ever out of the office, someone was always there to help. The planning process was effortless, we were able to plan an out of state wedding with ease... Overall, it was an incredible experience and if you're looking for a jaw dropping venue, choose this one! (Especially when it's decorated for Christmas!) Alana, married in 2018

First of all, it is a simply gorgeous venue that photographs itself. Most Clevelanders already are aware of that and our out-of-town guests were blown away. What casual visitors might not know is that the wedding event staff at the Hyatt is absolutely off-the-charts great. Jamie and Allison were our event planners and they were the most professional, organized, and friendly coordinators a bride could ask for. They did not drop one detail in a year and a half of planning. And on the actual wedding day they flawlessly executed the plan. As I was walking down the aisle to the grand staircase, I could see how perfectly everything came together. I'd also like to shout out the helpful, fun reception staff. One staff member even helped us track down several valuable items that had been left behind. 6 out of 5 stars, would get married here again. ;) Amy, married in 2018

My husband and I had our wedding ceremony, reception, and farewell brunch at the Hyatt Regency Cleveland at the Arcade In April. The Arcade is such a beautiful venue you cannot go wrong booking there! We planned our wedding from D.C., so having everything in one place made the planning process smooth and easy. Ann, our wedding coordinator, was great to work with and everything came together perfectly for our wedding day. She was quick to respond to emails and accommodating to last minute changes. The venue was able to accommodate our over 250 guests. We received so many compliments on our wedding and were told the food was the best wedding food they've had from multiple guests. We couldn't of been happier and are appreciative of everyone who was apart of making our wedding day truly special! Amy, married in 2018

I can't say enough incredible things about the Arcade and their staff. Ann and Allison were absolutely incredible and patient, answered any and all questions in a timely manner and ensure that every detailed was covered. Allison was great to work with and on the day of my wedding, there was not a thing I had to worry about. Not a single thing was out of place, everything went exactly as planned. I received so many compliments from our guest about the service of the staff, and they paid such close and special attention to us throughout the night. Thank you from the bottom of our hearts for the best day of our lives! Food was amazing, bartenders were great, servers were incredible. BEAUTIFUL VENUE! Kate, married in 2018

We were looking for a classic Cleveland venue in the heart of downtown for our wedding, and we found it with the Hyatt Regency at the Old Arcade. We held both our ceremony and reception there, and it was so convenient - we didn't have to figure out transportation to and from venues and our guests could stay upstairs in the Hyatt. Booking with the Hyatt got us a day-of coordinator (Jamie, who was beyond stellar and so patient with all of our questions), catering, linen rentals, architectural beauty for pictures (no need to buy decorations!), and a Friday/Sunday promotion that had great perks and that we took full advantage of. The Old Arcade also has an in-hotel spa, Marengo Luxury Spa, which we used leading up to the wedding and the day-of, and got a discount with them for booking our wedding with the Hyatt. The staff is so experienced that I didn't have to worry about anything. Everything turned out beautifully! :) Melanie, married in 2018
