Your Experience

What Couples Love About Us

From Jen, married in 2022:

Sarah was incredibly responsive throughout the planning process. She was quick to get back to us with answers on a wide range of items. We really appreciated how she came up with creative solutions and viable alternatives when something couldn't be done. Sarah kept us on track in the months leading up to our wedding and ensured the day was executed smoothly. I received several compliments from guests about how great the staff members were...someone even brought my aunt a pair of slippers to relieve her feet from heels! The bartenders were fantastic! They were fun and on top of things all night.

From Liz, married in 2023:

The Hyatt Regency Cleveland at The Arcade was the best venue that we could have asked for! Not only is the venue historic, unique, and stunning, the staff is absolutely fantastic. Everyone from the front desk, to the bellmen, to the wait staff, and definitely the event staff were friendly, kind, and helpful. The venue coordinator, Allison, is an absolute dream to work with. She is knowledgeable, professional, and most importantly, she genuinely cares about her couples and making their day run smoothly. We could not have asked for a better venue for our dream day, and we would 100% recommend this venue to anyone in Cleveland looking to host a wedding!

From Sara, married in 2022:

My husband and I recently held our wedding at The Cleveland Arcade, and we have nothing but glowing things to say about the experience! First, I want to mention that we had to plan our entire day completely remote, as we live in Dallas, Texas. Allison, our thoughtful coordinator, was an ABSOLUTE DREAM to work with. If I could give her 100 stars, I would. She planned, she coordinated, she had expert recommendations, and she answered every question within 24 hours. Because of the distance, she allowed us to carefully select our tasting and walk through dates well in advance so we could coordinate the trips with already planned travel. The day-of went without a hitch. Allison expertly thought of everything, and was able to address any potential obstacle before it arose. She constantly checked in on us to make sure we had everything we needed, and the entire staff at The Hyatt executed our day to the exact minute. I wouldn't hesitate to host 10000 other events at the Arcade! I wish we could do it all over again. Thank you for everything!

From Ally, married in 2022:

We loved everything about it! The only thing that could have made it better is if we got to spend more time with our new Hyatt family!

From Sam, married in 2022:

We cannot say enough good things about our experience with the Hyatt. Allison was WONDERFUL to work with. She literally made our wedding day run so smoothly, from start to finish.

From Ashley, married in 2022:

I don't even know where to begin on how amazing our wedding at The Arcade was. Sarah and the whole Hyatt staff were incredible to work with, and worked extremely well with our day of coordinator. If anything went wrong that day, we literally had no idea. Everything flowed really well and the Hyatt team had everything down to a science. The biggest thing for us was convenience, as we have older relatives and out of town guests. Having the ceremony and reception the same place our guests were staying was perfect. All of my bridesmaids have also mentioned that it was really nice that we also had the getting ready suite there and it took a lot of stress off without having to travel to multiple locations. We also had a few wedding guests tell us that it was the most beautiful venue they had ever been to, and we couldn't agree more! I cannot say enough great things about The Arcade and we are so glad we had our special day there!
