What Couples Love About Us

"I can't thank you enough for all of your help to make our wedding such an incredible event. We were just blown away by your hotel and the service. Everyone was coming up to us telling us how great the food and service was during the reception. I think people are used to having sub par food at these events. And thank you for making sure the food was hot!!

You were amazing to work with and I could not have done this without you. Thank you for all of your flexibility, for being so responsive and for executing the exact vision I had for this day. We were truly blown away by everything and almost all of our guests told us it was the best wedding they have ever been to. And believe me some of Jon's parents friends are not easy to impress!!

It was such a magical few days and the Hyatt and Lake Tahoe will always have a special place in our hearts. You helped make this the best week of our lives and we will never forget it."

- Christine, Married at Hyatt Regency Lake Tahoe

"The wedding events were truly perfect. There is not a single detail I would change. Your attention to every single detail led us to this beautiful memory and result. Words will not convey the heartfelt thanks for working with us and for this beautiful event. If you ever need a contact for a considering couple, please share our contact information. You are truly gifted at what you do and it was evident to all who touched this occasion. A million thanks to you and your team!"

-Alexis, Married at Hyatt Regency Lake Tahoe

"I just wanted to thank you for the wonderful job you and your staff did for Gus and Vanessa's wedding. I think everything they envisioned for their wedding came true! I heard so many positive comments from our family and friends about the wonderful staff at the Hyatt. Our experience was the same throughout our entire stay! My husband and I are already talking about when we can come back for another visit! Thank you again for all you did for us. It was truly a magical wedding!"

- Jenny, Daughter was Married at Hyatt Regency Lake Tahoe

"My husband and I fell in love with this venue during our first weekend away as a couple. Three years later... we got engaged and married at this gorgeous Hotel. We worked with a wonderful catering manager, who helped coordinate our entire wedding, rehearsal, ceremony site and reception ballroom. Our ceremony was outside overlooking beautiful Lake Tahoe. The trees...mountains...everything was magical. Our reception was inside a lake view ballroom a few feet away from the beach. The catering staff was very attentive. We had a large group of guests that stayed at the hotel and had nothing but great things to say about the hotel staff and room accommodations. There is also a casino for some fun!"
