Your Experience

What Couples Love About Us

"What a magical place to get married! From the moment we signed a contract with the Hyatt, they were the epitome of customer service, class and sophistication. Everything we wanted, we got, and on the day of the wedding, everything went smoothly. The staff was incredibly kind and welcoming. The catering done by the chef was by far some of the best food I've ever had in my entire life. The views from the Capitol room were stunning. I cannot say enough good things about the Hyatt. Special kudos to their Wedding Specialist who took over last minute after my original planner relocated. Everything was picture perfect and I would highly recommend the Hyatt to any bride considering an elegant downtown hotel affair."

"The Hyatt Wedding Specialist and her staff did such an amazing job in making our day so special. The food was delicious and the service was excellent! I would not hesitate to recommend the Hyatt to our family and friends. We had such a wonderful time. It was a dream come true!"

"The Wedding Specialist provided excellent customer service from beginning to end- was always prompt with her replies to my questions, and always courteous and professional."

"We had our wedding reception here in the Capitol View Room and could not be happier with every thing! The Capitol View Room itself was perfection. The balconies are comfortable and romantic with hedges, lounge furniture and candles. Guests relaxed outside, smoked cigars and cooled off between their favorite songs. Inside, the dance floor was awesome, and the chandelier was a gorgeous addition that really added a special touch to the room. The views were beautiful and the sunset was the perfect backdrop for the cocktail hour before dinner. The room is so modern and pretty with its sconces and floor to ceiling windows that we didn't need to concern ourselves with gaudy décor or extra florals. The service was attentive and sincere. I'd recommend this venue to any new bride. Wedding planning is difficult enough, but the Hyatt's all inclusive packages and wonderful staff made sure the venue, food, and bar were a few things that we didn't have to worry about at all."

"It was absolutely perfect! The entire staff was amazing! Everything was above our hopes and expectations! Each and every guest felt the hospitality of the entire staff! Truly a well trained staff that love their jobs and we are so thankful that our once in a lifetime celebration was to perfection thanks to your staff!"

"The room itself is very beautiful with pretty chandeliers and four balconies with amazing views! I felt that the Hyatt made the planning process so easy and they did everything they could do to make our dream wedding come true. They provided us with excellent service! I would highly recommend Hyatt for your wedding!"

"Our Wedding Specialist was amazing! She was so professional and very helpful in every aspect of our event. We loved working with her!"

"Big thanks to our Wedding Specialist and all the Hyatt staff for making my wedding weekend spectacular! It was one for the books! Everything was planned to the tee by myself and executed phenomenally by the Hyatt team - great attention to detail and I'm thankful for our Hyatt Wedding Specialist!"

"The entire planning process, scheduling and management of the event by the Wedding Specialist was amazing! She answered every email promptly, combed through every event detail with me, made herself available when I needed to see the room, etc. I am a project planner myself and had high expectations for how vendors handle details and she truly went above and beyond. I could not recommend her enough!"
